

Called to Care

2019-2020 IMPACT REPORT

MATTHEW 25

HEALTH AND CARE

***Do not pass by a man
in need, for you may be
the hand of God to him.***

Proverbs 3:27

God's hands remained evident at Matthew 25 Health and Care during the 2019-2020 fiscal year despite many new challenges.

They were seen as staff scrambled to keep medicine in the hands of our patients when COVID hit and forced our doors to close briefly. A skeleton crew was quick to spring into action creating new processes and protocol to keep our staff, volunteers, and patients safe.

God's hands were seen in the volunteers that asked if they could come in and help when others, more vulnerable, could not.

God's hands were seen in the personal contributions of PPE and in-kind donations from new community partners, pandemic relief funding and the unwavering generosity of Matthew 25's contributors, which eased the burden of numerous unforeseen expenses.

God's hands were seen as Board members worked tirelessly through unusual conditions to bring new leadership to Matthew 25.

This was a year to remember. A year when people will look back and reminisce about where they were in time when the COVID-19 pandemic hit, similar to 9/11 or the Challenger explosion. I'm grateful that I was here, at Matthew 25 Health and Care, seeing the Hands of God at work as we provided for those less fortunate.

To the countless individuals and organizations that continue to support Matthew 25, thank you. To our volunteers, our funders, our staff, and our patients, thank you for all you do for Matthew 25. It is your prayers, your time, your talents, and your donations that allow Matthew 25 to continue providing free medical, dental, and vision services as well as medication to the underserved vulnerable population of low income, uninsured adults.

May God Bless you and your families,
Michelle M. Creager, CPA, CEO

Impact

Inspired by Jesus' words in the Gospel of Matthew, we promise to care for 'the least of these brothers and sisters' and make a positive impact in their lives.

Impact

Financial support of Matthew 25 not only impacts our community as a whole, but actually changes someone's life. These patient quotations illustrate how much your donation matters.

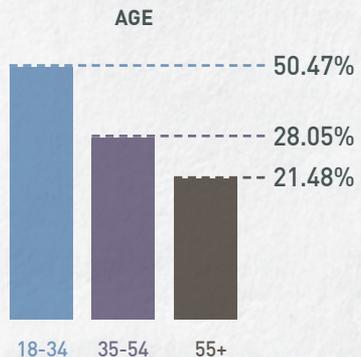

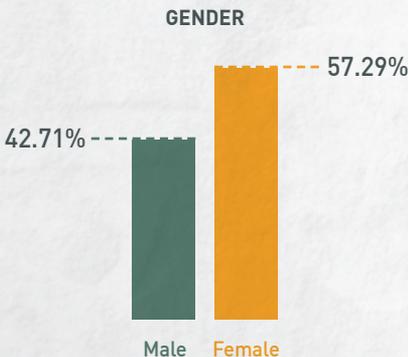

“You can sense it in the air that the people here really care and love being here and love their job and that translates over to the patients.”

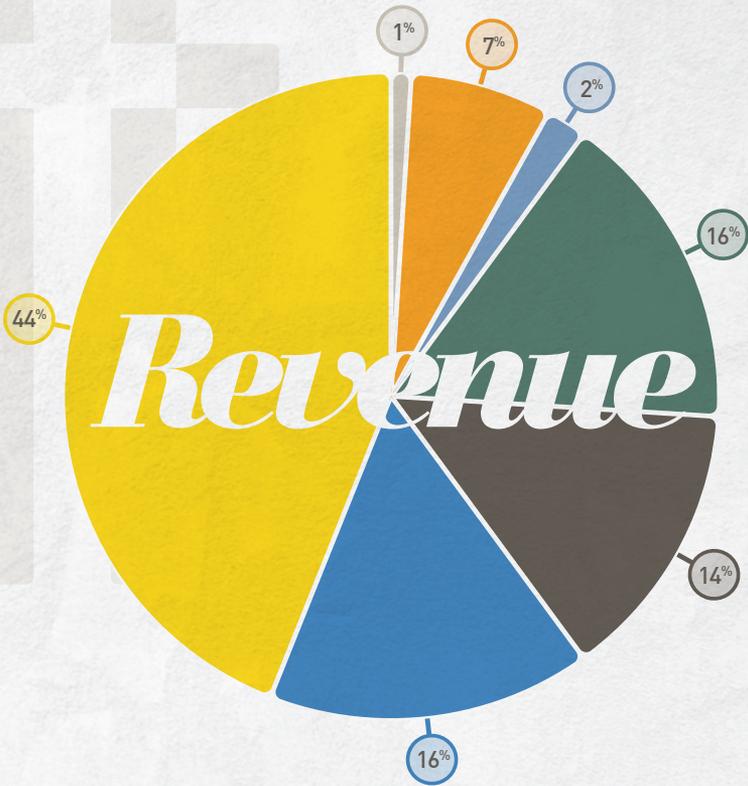

“I went to other dentists, but once I came here it was like a gift from God”

“Matthew 25 has given me a sense of purpose. I didn't know how I was going to live, and Matthew 25 gave me hope.”

“Matthew 25 actually gave me hope. They are always excited by my (blood glucose) numbers and how much I have improved. They are so encouraging. Matthew 25 has been life changing for me.”
